

14. A recruitment agency website allows users to create a profile to detail their employment history.

Once logged in users can update their employment history by adding the following pieces of compulsory information: job title, job description, job type (full time, part time or voluntary) and start date. An end date should only be provided when they have left that job.

An example of the ‘Edit your profile’ page is shown below.

Edit your profile

End Date	

Add New Job

14. (continued)

Draw a wireframe for a form that would allow users to provide the information for a new job.

4

A large, empty rectangular box with a thin black border, occupying most of the page below the question text. It is intended for the student to draw a wireframe for a job application form.
